The Keystone Nationals Organization is a volunteer-only, non-profit organization that relies on fundraising to keep our annual costs low for our players. This year, we are excited to be able to offer one-time naming opportunities for donors to our new facility components.

We are pleased to introduce the following naming levels:

From \$1-\$999 - Donor's name listed on a plaque with other donors in this gift range

From \$1,000-\$4,999 - Donor's own plaque

From \$5,000-\$9,999 - Donor's own banner

From \$10,000 and above - Donor's own banner and naming opportunity for a section of the facility, such as one of the batting cages or pitching tunnels

We pride ourselves on not only advancing players skills, allowing them to reach their full potential through high school, college, and beyond, but also helping them to become positive role models in the community. Your gift helps us accomplish these goals.

To make a gift to name a part of the facility, please fill out the following information and return it to JoshTrego@hotmail.com or KeystoneNationals18@gmail.com or PO Box 128, New Kingstown, PA 17072:
