The Keystone Nationals is a volunteer-only, non-profit organization that relies on fundraising to keep our annual costs low for our players. This year, we are excited to be able to offer Facility Sponsorships for our 2021 Keystone Nationals seasons.

We are pleased to introduce the following sponsorship levels:

Single Hit Sponsorship \$250/yr

Double Hit Sponsorship \$500/yr

Grand Slam Sponsorship \$1,000/yr

Each level of sponsorship comes with some form of company logo inclusion at our indoor facility (see sponsorship levels for exact placements), which is open 7 days a week for practices, batting practice, softball clinics, one-on-one lessons, weight lifting and more.) Company recognition on our Website and social media pages and company exposure to all KN families and coaches, who are encouraged to support our sponsors businesses.

We pride ourselves on not only advancing players skills, allowing them to reach their full potential through high school, college, and beyond, but also helping them to become positive role models in the community. Your sponsorship helps us accomplish these goals.

To sponsor the facility, please fill out the following information and return it to JoshTrego@hotmail.com or KeystoneNationals18@gmail.com or PO Box 128, New Kingstown, PA 17072:
